Property.Credit

Serving Australia and New Zealand

EASY REFERRALS | BRANDED PAYMENT GATEWAY | FAST PAY-LATER FUNDING

Maximise your property sales pipeline.

A Property Credit bridging facility lets your client access the equity in the property they're selling to help service any number of property transaction costs.

Whether it's funds for **advertising, pre-sale improvements, landscaping, moving costs** or a **deposit** for their next property, Property Credit can help.

Agent Benefits

Secure more listings while adding value for your clients with a pay-later solution for property transaction costs. Spend less time having the 'who pays for what' conversation and get back to selling!

- Simple referral form.
- Clients can pay via EFT, credit card or pay-later direct to your account.
- Generate a unique QR code for your agency.
- Payment gateway is branded to your agency.
- Fast, pay-later funding.
- No lock in contracts.

Seller Benefits

Property owners can unlock the equity in the property they are selling to cover selling costs or any number of cash-flow requirements. With nothing to pay upfront and no payments until settlement, we ease the financial stress of selling.

- Apply once.
- No credit checks.
- Funds released in as little as 3 hours.
- No maximum age limit.
- Unlock equity for any number of cash-flow needs.
- Nothing to pay until settlement.
